

COVERED MOORING FOR RENT IN OSSENZIJL

Price: Rented

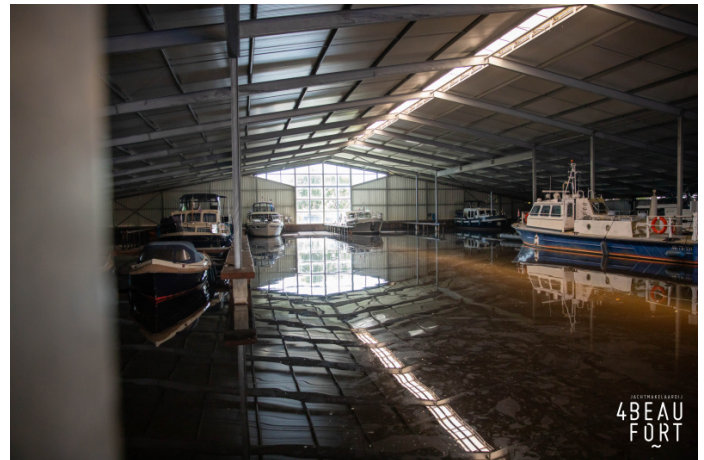

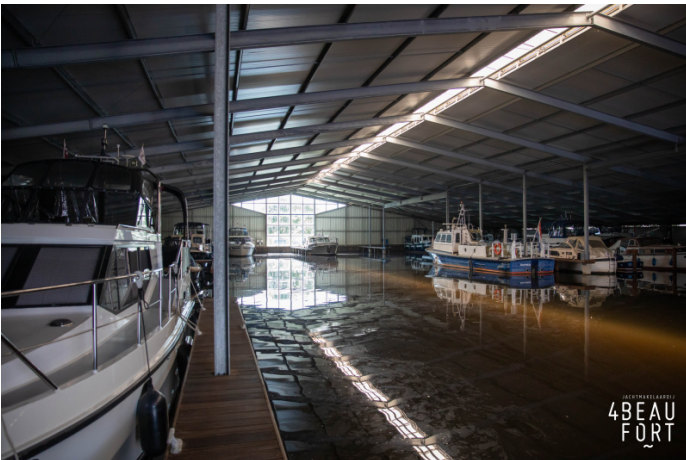

In Ossenzijl, on the border of Friesland and Overijssel, the ideal base for visiting the Frisian Lakes or the Weerribben nature reserve. An easily accessible, very neat rental mooring in a boathouse complex, accessible by both road and water.

The covered berth is located in a spacious and well-maintained boathouse complex with a central entrance. The berth measures 12.50 x 4.77 meters, is conveniently located in a corner of the complex, and has a maximum height of 3.5 meters.

There is a wide concrete jetty along the entire length of the box and at the head end. In addition, the berth has its own power connection with meter, and there is a communal water tap on the jetty.

There is ample parking space on the premises where you can park your car. The berth is also located right next to an access door, which makes getting in and out extra easy.

An ideal location for both short stays and longer periods on board your ship.
