

SCHIPHUIS IN HET CENTRUM VAN SNEEK.

In the centre of Sneek. In covered hall, berth for rent.

Box 14.60 x 4.90 m (net), insulated hall, accessible via remote control roller door, clearance height is 4.5 m.

Your boat is safe and protected against theft by permanent supervision of a manager. The berth holders can also make use of the sanitary facilities. The site is equipped with fencing and solid gates all around and forms an enclosed whole. Your boat is protected against all adverse weather influences. The paint system will have a much longer lifespan. Storage in the winter, on shore outside or in a hall, is no longer necessary, so the costs will be recouped. In addition, you will of course have the comfort of a clean(er) boat on arrival and you can enjoy right away!
