Altena 53 Custom Trawler!

From the Frisian lakes to the Göta Canal and from the Mediterranean Sea to the English coastal waters. Whatever the destination of your dreams, the all-rounder Altena 53 Custom Trawler will take you anywhere in comfort!

This 16.20 meter long 'Happy Hours 3.0' is truly a beautiful motor yacht, full of smart, handy and beautiful details. With a complete refit, the spacious ship from 2007 was brought completely up to date two years ago, while retaining the details. The Altena is equipped with a hydraulic bow and stern thruster, two reliable John Deere engines and recently all navigation equipment was renewed.

This also applies to the galley. A new induction hob, refrigerator, freezer, dishwasher, microwave and a second refrigerator for the soft drinks. In short, a super nice ship, ready for departure. Thanks to the CE-A certification, practically the whole world is at your feet. The yacht sails over seas, coasts, lakes, rivers and canals and moors easily along the way.
