Name of the yacht	Meander	Yard	Antaris Shipyard BV
Type	Motor yacht	Weight	6,500 kg
Hullshape	Chine		

TECHNICAL EQUIPMENT

Running hours	1509	Thruster	Yes, electric Vetus 60 kgf
Number of engines	1	Stern	No
Consumption	5 ltr/hour	Stabilizers	No
Drive	Fixed propeller shaft	Fuel tank	Steel
Cooling	Intercooling	Drinkwater tank	Synthetic
Engine control	Morse	Holding tank	Synthetic
Propeller	3-blade propeller	Total fuel tanks capacity	388 liter
Shaft lubrication	Water-lubricated	Total water tanks capacity	200 liter
Steering	Hydraulic	Total gray water tanks capacity	150 liter

ELECTRIC EQUIPMENT

Tension	12v / 220 V via shore power	Isolation transformer	No
Battery charger	Yes, Mastervolt IVO Smart 12/50-3	Converter	No
Generator	No		

ACCOMMODATION

Panelling interior	Teak	Boiler	Yes, 40 L.
Upholstery	Fabric upholstery in the cabin	Cooker	Yes, 3-burner gas Cramer
Heating	Yes, Webasto AT-2000	Lavatory	Yes, 2x electric

NAVIGATION

Depth sounder	Yes, Raymarine ST40 Bidata	GPS	No
VHF Radio	No	Radar	No

Antaris NineFifty "Meander"

The Antaris Ninefifty has optimal use of space on a cruiser of 10.50 m. and has everything on board to go away for longer than a weekend. Among other things, there are three lockable sleeping compartments; an aft cabin with a spacious double bed with bathroom, a space in the bow that can be closed off with a V-bed and a dinette in the cabin that can be made into a double bed. But also two bathrooms, one with shower possibility, spacious cockpit with large L-shaped bench seat and many storage spaces.

The spacious, with a new tent (July 2025) covered, open cockpit has a large L-shaped settee with a new cushion set, a steering position with not only good visibility all around but also of the equipment, a luxurious steering chair and a sun deck on the aft cabin. The windshield is in retro trim, has tinted glass and the profile was painted last spring.

What stands out about the exterior are the wide gangways that feature a high double stainless steel railing; you easily walk "around" the boat, a swimming platform with swim ladder and outdoor shower and an electric windlass with stainless steel anchor.

The Antaris Ninefifty is very maneuverable and is easy to reverse into a box, for example. The Antaris responds quickly to steering and throttle movements, thanks in part to the 75 hp Yanmar which allows the boat to reach a top speed of 17 km/hour*. Suitable for larger waters but certainly also for small canals, thanks to a draft of ca. 75 cm and a vertical clearance of 235 cm when mast and tent are down.

A real all-rounder with a luxurious and chic appearance ready for departure!
