On this very neat, spacious Aquanaut cruiser with open cockpit and aft cabin is since 2020 very much renewed. Among other things, the cruiser is completely painted at Kooistra Jachtschilders in Akkrum and all window rubbers are replaced. There is a swimming platform, stainless steel davits, stainless steel railing and mast and a large solar panel installed. But also the cooling pipes have been renewed, a new propeller shaft has been placed, a bow thruster has been installed, a new cockpit tent and the interior has been done. A very neat cruiser where the finishing touches still have to be put on the i's and the owners have not yet gotten around to refitting the aft cabin. A fine family ship that is surprisingly spacious and has a low headroom.
