Toilet type	Yes, electric	**Heating + type**	Yes, Webasto Evo 40
Freezer	No, but we do have a freezer compartment in the refrigerator		

A beautiful yacht with a thoughtful interior that maximizes interior space.

In the bow is the owner's cabin with freestanding bed, a separate shower stall, a toilet room with electric toilet and sink and an additional guest cabin under the inside steering position. In the wheelhouse/saloon you will find a passenger bench on the port side and the steering gear on the starboard side. Behind this is an L-shaped (modern) open kitchen facing the L-bench seating with electrically adjustable table. So steering, kitchen and seating on one level, level with the open cockpit. By lowering the table you create an extra berth or lounge seat. From the seating area you have a great view and by opening the 3 French doors you involve the open cockpit with L-seat bench with the salon. Also the table in the open cockpit can be lowered allowing you to create a lounge seating. The roof of the salon is extended allowing you to sit out of the sun or dry. In the open cockpit is a large hatch to the "basement". It is a wonderful sailing yacht that thanks to the 2 engines, but also the bow and stern thruster can be laid down at any desired berth.

The Aquanaut Andante 380 OC is very fully equipped and with her 70 engine hours in very good condition and ready to sail!
