Aquanaut Beauty 1000 AK

Very neat Aquanaut Beauty 1000 with a side entrance and aft entrance from the aft deck. Practically equipped motor cruiser with a V-bed in the bow that is in open connection with the rest of the bow and the saloon. In the bow is also the galley with worktop, sink, gas stove and refrigerator and a dinette that can be made into a bed. In the saloon you will find the steering gear on the port side with the side door directly behind it (ideal for bringing the groceries on board) and on the starboard side is cupboard space with room for a TV and an L-shaped sofa. In the stern is the owner's cabin with double bed and the bathroom with sink and toilet. There is plenty of closet and storage space throughout the ship. Through the rear entrance you enter the raised aft deck with outside steering position. The aft deck has recently been equipped with a windshield with tinted glass, windshield wiper and a sprayhood with bimini. Dennis is ready to sail and can be viewed in our sales marina.
