Aquanaut Beauty 1050 AK

A very neat Beauty 1050 AK with in the bow a V-bed, galley and dinette. In the saloon an L-shaped bench with storage space, and opposite the inside steering position, side door and closet. Because there is no separate cabin in the bow you get extra light which gives a very spacious effect. From the saloon you enter the aft ship with a bathroom with electric toilet, sink and shower cabin. The owner's cabin has a free standing bed and lots of storage space. From the salon you can access the aft deck through the side door but also through the rear entrance. The Beauty has well-walkable gangways with stainless steel railing and several stainless steel bollards in strategic locations. There is a lot of stainless steel processed as stainless steel radar bracket, stainless steel railing and bollards with wear plates, stainless steel davits and a stainless steel bumper, all this gives the Beauty a luxurious look. The bathing platform has an outdoor shower with cold and hot water.
