NAVIGATION

Depth sounder	Yes, Autohelm Tridata	GPS	Yes, Garmin GPS 72H
VHF Radio	Yes, Sailtron Compact VHF RT2048	Radar	No

Aquanaut Beauty 1050 AK

A luxuriously finished 1994 Aquanaut Beauty 1050, built as a showboat and coming from its second owner, is in very good condition and has always been stored in a boathouse by its current owner. The boat is named "Mona Lisa" and, thanks to a low clearance height of 2.45 meters, is ideally suited for lakes, rivers, and canals.

The forward section features a spacious round seating area that can also serve as an extra sleeping area, alongside an L-shaped galley with ample cabinet space, a sink, a 4-burner gas stove, and a refrigerator with a freezer compartment. There is also a large, deep cabinet for items such as a vacuum cleaner and a slightly lower cabinet that holds the television. The salon features an indoor helm station, a spacious bench seat, and a practical side door that makes boarding and disembarking easier and simplifies bringing groceries on board; there is also a separate rear entrance leading directly to the aft deck.

The stern houses a spacious bathroom with an electric toilet, sink, and shower stall, as well as an owner's cabin with a freestanding bed. The boat's fresh appearance is the result of a complete repainting of the hull and superstructure in the summer of 2024, during which a new fender strip was also installed. In the summer of 2024, the underwater hull was also sandblasted and refinished.

This comfortably appointed Aquanaut is equipped with a 100 pk Yanmar engine and features both an electric bow thruster and stern thruster, making maneuvering easy and precise—and she's ready to sail!
