NAVIGATION

Depth sounder	Yes, Autohelm Tridata	GPS	Yes, Raymarine NSS 8"
VHF Radio	Yes, Shipmate RS8300	Radar	No

Aquanaut Beauty 1200

The Aquanaut Beauty 1200 "Yes" is an elegant and strikingly spacious yacht that offers more living space within its length than you expect. Large windows, tinted and double-glazed all around, provide panoramic views and plenty of natural light, giving salon and dinette an open, airy atmosphere. The mahogany interior adds warmth and character, with a comfortable saloon that combines an interior steering position, plenty of cupboard space and an L-shaped seating area. The Aquanaut Beauty has a side door, which is ideal for bringing groceries on board, but also a rear entrance directly to the very spacious aft deck.

In the front there is a cabin with a very spacious V-bed and plenty of storage space. The galley is practically laid out and equipped with a fridge, microwave, sink and a spacious worktop, in addition to a cozy U-shaped dinette. There are separate sanitary facilities in the back: a toilet room with sink that is also accessible via the owner's cabin and a separate bathroom with sink and shower. The owner's cabin has a generous freestanding bed and two shutters in the transom that provide extra light and ventilation.

On the water, the Beauty shows excellent sailing characteristics thanks to the multi-chine hull: course-stable, manoeuvrable with a short turning radius and easy to manoeuvre. The drive consists of a powerful 140 hp Yanmar diesel engine, supplemented by a 110 kgf bow and stern thruster, which greatly simplifies docking and positioning.
