Depth sounder	Yes, Raymarine ST60 Tridata	GPS	Yes, B&G
VHF Radio	Yes, ICOM IC-M401E	Radar	No

Aquanaut Drifter 1100 OK

Zonnevecht is a stylish, sturdy, and wonderfully cruising motor yacht with a low vertical clearance. The 85 hp Perkins diesel engine guarantees relaxed cruises, and the powerful bow and stern thrusters make maneuvering easy. The owners have always maintained this Aquanaut Drifter 1100 OK with great care and attention. This is evident from the fact that the yacht has wintered in a covered and heated hall every winter.

In the bow, Zonnevecht features an owner's cabin with a freestanding bed, a spacious and fully equipped U-shaped galley, and a bathroom with a toilet, vanity, and full-sized shower. In the double-glazed saloon, you'll find a generous sofa that converts into an additional berth, a wall of cupboards with ample storage, and a steering position with all-round visibility. The motor yacht features an attractive teak interior and teak flooring. The saloon has four wooden doors that open onto the spacious open cockpit. The open cockpit features a comfortable bench seat with storage space. The open cockpit also includes a cellar with storage, and retractable steps on both sides make entering and exiting the cockpit easy. Retracting the steps provides optimal space in the open cockpit. A recently installed cockpit tent provides shelter in inclement weather and can be used as a bimini in sunny weather.

The wide side decks with high stainless steel guardrails and grab rails on the saloon roof allow for safe walking around the boat.

The Zonnevecht is a well-maintained Aquanaut Drifter 1100 OK that is ready to sail.
