Heating	Yes, Ebersprächer Airtronic M D4	Lavatory	Yes, electric

NAVIGATION

Depth sounder	Ja, Raymarine Tridata ST60	GPS	Nee
VHF Radio	Nee	Radar	Nee

Aquanaut Drifter 1150 "Special"

This multi-hull Aquanaut Drifter is a true beauty and was built in 2004 at the request of the first and current owner. Notable features include the (low) clearance height of 2.45 m, the wide gangways, and the spacious aft deck with fixed benches and steel railings.

The motor yacht is in excellent condition both inside and out. She has always been stored out of the water in a hall during the winter, and maintenance has been faithfully performed every year. The interior is (almost) immaculate and finished in teak, warm and stylish; the carpeting throughout the interior shows no signs of wear.

The Drifter features a guest cabin in the foredeck with a spacious V-berth, a dinette, and a galley with a 4-burner gas stove. The salon includes a comfortable bench seat, an inboard helm station, and plenty of cabinet and storage space. As an extra, this Aquanaut Drifter 1150 features a side door. Ideal for bringing groceries on board, ventilation, and quick access to the gangway from the salon. In the aft section, you'll find a separate toilet with a sink and a spacious bathroom with a sink, cabinet space, and, of course, a shower. The owner's cabin is separated by a sliding door, allowing you to move around easily without any obstacles. There is plenty of storage space under the bed, as well as in the hanging and storage cabinets situated around the bed.

The Aquanaut Drifter is equipped with a powerful 128-horsepower Vetus Deutz engine and features a 95 kgf bow and stern thruster, making maneuvering a breeze. This CE-B certified Aquanaut Drifter is truly ready to set sail on new journeys across Europe's inland and coastal waters.
