VHF Radio	Yes, Shipmate RS 8300	Radar	Yes, Raymarine RL9

Aquanaut Drifter 1250 AK FLY

Aquanaut Drifter 1250 Fly

A VIEW AND APPEARANCE TO COUNTER YOU!

Sailing this Aquanaut Drifter 1250 Fly is truly a pleasure. On the Fly with steering position you have a breathtaking view and feel one with the environment.

Due to a recent refit, this ship is in very good condition. A blasted and rebuilt underwater ship, newly placed anodes, polished hull, painted superstructure and butts and a sanded Marine Deck make the exterior a feast for the eyes. This also applies to the partially renewed interior. For example, a new PVC floor has been laid, new upholstery and curtains have been added and the woodwork has been provided with new cherry veneer.

Technically, the Drifter has been completely checked. Engines, generator have been serviced, diesel tanks cleaned and checked, batteries replaced where necessary, the heating system has been adjusted and a separation transformer has been installed. In every way, this Aquanaut is ready to experience beautiful views on board!
