Aquanaut Drifter 1500 AK Special "Albatros" with category CE-A!

The name "Albatros" which the owner has given to his Aquanaut Drifter 1500 AK is very appropriate. "Albatros" is family of large seabirds that spend almost their entire lives above the sea. The Aquanaut Drifter is family of the larger Aquanaut Global Voyager, which feel very much at home on the world seas. Just like this "Albatros" with her category CE-A! This also makes the ship very suitable for larger journeys over the world seas and a longer stay on board.

The owner has maintained the yacht with a lot of love and has taken good care of it. Partly because of this, the Aquanaut Drifter 1500 AK is in a very good condition. The interior, with its many curves, is really in top condition. The ship, with 7 fixed beds, is equipped with many conveniences that make the stay on board very pleasant. The two Vetus Deutz diesel engines are ready for new adventures.
