Aquanaut Drifter 350 AC, from first owner!

A classic Aquanaut in a modern look with a sleek and sophisticated interior. In the foreship a cabin with 2 single beds, a galley and a dinette. In the salon an L-shaped settee with cabinetry, side door(!) and direct access to the aft deck. At the back of the ship the owner's cabin with double bed and a bathroom with toilet, sink and a spacious shower cabin.

A very complete ship that is equipped with, among other things, a 110 hp Yanmar engine, bow and stern thruster, insulation of the hull, superstructure and ceiling, tinted double glass, heating with extra outlet at the outside steering position, TV on elevator, inverter/charger, isolation transformer, Flexiteak, electric anchor winch etc. etc.

Magdeleine is a young, modern lady ready to go!
