Aquanaut Drifter CS 1200

From 1st owner a very well maintained Aquanaut Drifter CS 1200 in a very chic color combination.

A timeless, multi-twist yacht with good and comfortable sailing characteristics, solid construction, plenty of interior space, a favorable draught and a headroom of 2.45 m. In the front of the ship a spacious cozy round seat and a galley with workspace on both sides with granite worktops. The salon has a spacious sofa and plenty of storage space. The floor in the salon has extra insulation so the engine is almost inaudible. In the stern a separate toilet room, separate shower room and an owner's cabin with spacious freestanding bed.

Above deck a spacious aft deck with center steering position and half round stairs to the swimming platform. The wide gangways and aft deck are equipped with a Marine deck.

The "Poseidon" has always been located at Aquanaut in a boathouse and this rental berth is possible to take over.
