The Aquanaut Drifter CS 1300 AK "Skyfall" is an ideal motor yacht for longer stays on board and/or far journeys on the waterways and sea of Europe (CE-B).

The Aquanaut Drifter CS 1300 "Skyfall" is a solid, multi-chine built motor yacht with very fine sailing characteristics, bilge keels, a powerful Perkins M185C engine with 5-blade propeller and hydraulic bow and stern thruster. But also a very complete yacht, so she is equipped with, among other things, a generator, central heating, additional diesel heating for the aft deck, air conditioning, double glazing, PU foam insulation (from the waterline to the roof), dishwasher, washer / dryer, microwave etc.

A yacht with a cherry wood interior, spacious saloon with leather upholstered sofa and wardrobe, 3 cabins with a total of 5 fixed berths, a spacious bathroom with toilet, sink and shower cubicle and another separate toilet room with sink in the bow. Here you will also find the extensive galley with both starboard and port side granite worktops.

On the aft deck you will find the helm station with navigation equipment and a wonderfully seated helm chair, Webasto heater outlets for chilly evenings, TV on elevator, U-shaped settee with storage and a teak table. All this is equipped with a fully lockable tent that was completely renewed in 2020 as were the cushions of the sofa. From aft deck a semi-circular staircase, which can be found on both sides of the stern, allows access to the swimming platform where a special support is placed for a Jet Ski or dinghy.

The "Skyfall" is ready to sail (maintenance bills present) and is located in our sales marina at Selfhelpweg 9A in Sneek.
