Aquanaut Global Voyager 1500

This young Global Voyager has a spacious upper deck with steering, seating, outdoor kitchen and a fantastic view. From the salon, you can walk straight into the spacious, well thought-out open cockpit with round seating. A spacious hatch leads to the storage area under the open cockpit via a staircase. There is also access to the engine room. The ship is equipped with wide gangways that are partly covered.

The saloon is on the same level as the open cockpit and is equipped with a sofa and a wall of cupboards. The spacious wheelhouse has a steering wheel, side door, seating area and opposite an L-shaped kitchen with a black granite worktop and the necessary kitchen equipment. Below decks, there are 4 comfortable cabins with 8 fixed berths. The owner's cabin has a free-standing bed and a separate toilet and shower area. The other 3 cabins have one cabin with a double bed and the other with 2 single beds.

A ship to dream away on.
