Boiler	Yes, Isotemp 40 L. via shore power + engine		

NAVIGATION

Depth sounder	Yes, see chartplotter	GPS	Yes, Raymarine
VHF Radio	No	Radar	No

A stylish bow, wide gangways, lots of glass all around, curved lines and modern colors are the main external features of the Aquanaut Majestic 1300 OC

The Aquanaut Majestic has a steep stern that provides plenty of volume up front. This provides a spacious owner's cabin below deck with its own separate toilet and shower room. Above the spacious double bed is a "skylight" which provides a wonderful natural incidence of daylight and enhances the spacious feeling. The "skylight" is equipped with 2 roof hatches, mosquito nets and blackout blinds. You will also find a spacious combined guest toilet with sink and shower in the bow.

Below the salon are the 2 guest cabins with 2 single beds each. Both cabins have 2 large windows in the hull. Currently, one of the cabins is equipped with 2 children's beds but this can be adapted into 2 full-size beds with a small operation. Remarkably, there is plenty of headroom below deck.

The salon has enormous curved panoramic windows and this, together with a large electric sliding roof, makes the salon look very light. Both the steering position and the cruising bench are L-shaped and provide a lounge-like atmosphere. Behind the salon is a spacious U-shaped seating area with table and the L-shaped kitchen with the necessary cupboard space. The aluminum sliding doors take you right out onto the spacious aft deck with L-shaped seating with storage space. Under the open cockpit is the engine room with a 170 hp 6-cylinder Vetus Deutz engine, other technical installation and then there remains a sea of space for storage.

The clever layout and optimal use of the spaces give you the feeling that you have entered a much larger boat than one of 13 meters.
