Aquanaut Privilege 1250, from 1st owner and "Summer Guest" has always had her permanent berth in a covered water shed.

The Aquanaut privilege 1250 AK is a graceful yet sturdy yacht and recognizable by her rounded corners. There are no sharp corners or edges anywhere in the striking superstructure. The saloon roof with double curved lines and the windshield foundation, stairs, boarding steps and swimming platform all with rounded corners. The interior can be called spacious and is characterized by plenty of visibility and light.

In the bow a guest cabin with spacious V-bed, bathroom with sink and toilet, a spacious dinette and a U-shaped galley. In the saloon a large L-shaped sofa and opposite this a cabinet wall with, among other things, concealed TV on elevator. In both the bow and the saloon the headroom is 2 meters. At the back of the ship is a separate bathroom with shower, the owner's cabin with a free-standing bed of 2.10 x 1.60 meters, of course here again a lot of storage space and a bathroom en suite with toilet and sink.

Above deck the ship is as spacious as below deck, spacious gangways and an aft deck with large U-seat with storage space below and a semicircular staircase that provides access to the swimming platform. The "Zomergast" is really in very good condition and is ready to sail!
