VHF Radio	Yes, Raymarine RAY240E	Radar	No

Aquanaut Privilege 1250 AK

The Aquanaut Privilege 1250 AK "Ocean Sky" is a graceful yet sturdy yacht and recognizable by her rounded corners. There are no sharp corners or edges anywhere in the striking superstructure. The saloon roof with double curved lines and the windshield foundation, stairs, boarding steps and swimming platform; everything with rounded corners. The interior space can be called spacious and is characterized by plenty of visibility and light.

In the foreship a guest cabin with spacious V-bed, bathroom with sink and toilet, a U-shaped dinette and a U-shaped galley with granite worktop, 3-burner electric stove, hood, refrigerator and microwave. In the saloon a large L-shaped sofa and opposite this a cabinet wall with, among other things, concealed TV on elevator. Both in the bow and the salon the headroom is 2 meters. Back of the ship is a separate bathroom with shower, the owner's cabin with a free-standing bed, of course here again lots of storage space and a bathroom en suite with toilet and sink and washer/dryer combination. Throughout the ship is plenty of closet space, both lay and hanging cabinets. The spacious engine room is accessible via the stairs to the stern or via a large gas spring hatch in the saloon.

Among other things, the "Ocean Sky" is equipped with a generator and underfloor heating throughout the ship by a central heating system from Kabola! In addition, she has tinted double glazing and PU foam insulation against the roof and hull from the waterline.

Above deck the ship is as spacious as below deck, spacious gangways and a large aft deck with against the transom of the ship a bench seat with deep storage space and stairs in the middle to the swimming platform. The Aquanaut "Ocean Sky" is really in very good condition and is ready to sail!
