Aquanaut Privilege 1250

A very well maintained Aquanaut Privilege 1250 from 2005, from the first owner and clearly maintained with care. The superstructure was repainted in 2024 and the hull in 2019, giving the ship a fresh and sleek look. Thanks to the generous headroom of two meters in the bow and saloon and 1.95 meters in the stern, this yacht offers an exceptionally spacious and comfortable stay on board.

In the front of the ship there is a guest cabin with a spacious V-bed and a private toilet room with electric toilet and sink. The U-shaped dinette with adjustable tabletop forms a cozy seating area and can also serve as an extra sleeping place. The galley is practically furnished with a gas oven, refrigerator, 3-burner gas stove and a sink. In the saloon you will find a spacious U-seat bench with storage space, a stylish cupboard wall and a comfortable built-in chair that is centrally placed, so that you can easily maintain contact with both the sofa and the galley. This layout creates a pleasant, open atmosphere in which everyone on board stays connected, no matter where they are. The stern is furnished with a separate bathroom with shower, a second bathroom with sink and electric toilet and the owner's cabin. This cabin has a spacious freestanding bed with hanging and cupboards on both sides. Two large escape hatches provide beautiful light and good ventilation.

The Aquanaut Privilege 1250 is equipped with air heating and air conditioning, which makes the stay on board pleasant. The powerful 135 hp Perkins engine, bow and stern thruster and the generator make the ship complete and particularly suitable for long voyages. The current owner, engineer and experienced water sports enthusiast, sailed extensively on the European inland waterways and even wrote several books about it. This knowledge and experience is clearly reflected in the equipment and the excellent condition of the ship.

In short, a very neat CE-B-certified Aquanaut Privilege 1250, ideal for exploring the European inland waterways and the coastal waters. It is not for nothing that this model bears the name "Privileged", a title that the ship fully lives up to.
