Boiler	No, hot water via the Kabola HR 400 Combi		

NAVIGATION

Depth sounder	Yes, Raymarine ST60 Tridata	**GPS**	Yes, Raymarine Vavcenter C80
VHF Radio	Yes, Raymarine RAY240E (2x)	**Radar**	Yes, Raymarine

Aquanaut Privilege 1350 AK

The Aquanaut Privilege 1350 AK is a luxurious and very fully equipped yacht, equipped with a hydraulic bow and stern thruster, mast control and anchor winch. This spacious ship is designed for long, comfortable journeys, thanks in part to the central heating and double glazing.

'Festina Lente' has two spacious cabins, two toilets and a separate bathroom with shower and sink. In addition, the yacht is equipped with modern amenities such as a washer/dryer combination. The salon has a warm, attractive appearance due to the luxurious cherry wood and the beautifully upholstered sofas. Thanks to the many windows, an abundance of natural light enters.

Striking are the electronic engine control with wireless remote control for the main engine, bow thruster and stern thruster, and the comfortable "lazy" stairs, which make it easy to walk to and from the aft deck — even with a tray. There is ship's parquet throughout the ship, with carpeting in the saloon and cabins over it for extra comfort.

The yacht is also equipped with a large solar panel and a powerful generator, allowing you to sail completely self-sufficient and be independent of shore power for a longer period of time.

In short, a beautiful yacht with elegant curves, equipped with a naval deck and a sprayhood with bimini that can be partially completely closed, so that you can sit comfortably on the aft deck even in less beautiful weather. The level of maintenance is excellent: the superstructure was painted in 2024 and the hull and underwater hull in 2025.
