Aquanaut Privilege 1350

Everything is spacious on this Aquanaut Privilege 1350 AK. The gangways, the fully covered aft deck but also the interior. In the front of the boat there is a guest cabin with a spacious V-bed, bathroom with sink and toilet, a spacious dinette and a U-shaped galley. In the spacious salon a large U-shaped bench seat and opposite a cabinet wall with, among other things, concealed TV on elevator. From the salon to the stern you will find on the port side the toilet room with an electric toilet, sink and built-in washing machine. The owner's cabin has a free standing bed of 2.10 x 1.60 meters, of course here again lots of storage space and an en suite bathroom with shower and sink which can be reached both from the owner's cabin and via the corridor from the salon. But also the engine room is very spacious, it is accessible through 2 hatches in the salon floor as well as from an entrance under the stairs in the stern.

This graceful yet sturdy Aquanaut Privilege 1350 AK is recognizable by her rounded corners. There are no sharp corners or edges anywhere in the striking superstructure. The saloon roof with double curved lines and the windshield foundation, stairs, boarding steps and swimming platform; everything has rounded corners. The steering gear is placed centrally on the spacious aft deck; you have a very good overview from here. Against the transom of the aft deck is a spacious bench with storage space and to the side of this is an outdoor shower. A semicircular staircase leads to the swimming platform.

This very well maintained Aquanaut Privilege 1350 AK is ready for departure and can be viewed in her covered berth at our sales marina in Sneek.
