Heating	Yes, Webasto Air Top Evo 3900	**Lavatory**	Yes, electric

NAVIGATION

Depth sounder	Yes, VDO	**GPS**	No
VHF Radio	No	**Radar**	No

The Beenhakker Kotter 880 OK is a compact and charming motorboat that feels like new again thanks to a complete refit in 2017. Although officially built in 1978, the thorough rebuild and modern finish mean you can actually consider her a 2017 model. This well-maintained cutter is ideal for two people who want to relax and enjoy long trips; the hull and superstructure are finished to a high standard, and the low draft makes her perfect for inland waters and small canals.

During the refit, the boat was completely stripped and rebuilt by professionals; the electrical system was fully updated, a bow thruster was installed, and the engine was thoroughly inspected (approx. 400 hours since overhaul). The paneling is built with a flame finish, creating a warm, neat appearance and a solid finish that is both practical and stylish. The salon features French doors leading to the open cockpit, allowing the interior and exterior to blend seamlessly so you can enjoy the view in any weather.

Inside, you'll find beautiful upholstery and modern amenities, including heating, a hot water boiler, an inverter, a television, an outdoor shower, etc., making your stay on board extra comfortable. Ample storage space is available throughout the vessel, and systems and technical components are easily accessible, allowing for simple inspection and maintenance. Notable are the through-hull fittings, which are rarely found on pleasure craft.

In short, this Beenhakker Kotter 880 OK combines classic reliability with modern conveniences and is a cozy, dependable companion for wonderful trips for two.
