VHF Radio	Yes, Standard Horizon Matrix AIS/GPS GX2200XE + daughter station		

Brandsma Vlet 1050 OK-AK

The Brandsma Vlet 1050 OK-AK is a cozy and well-maintained motorboat with a warm teak interior and a well-thought-out, spacious, comfortable layout. In the bow, there is a spacious round seating area that can easily be converted into an extra sleeping place. The bathroom is generously equipped with a toilet, separate shower, and washbasin, and the L-shaped kitchen has a spacious worktop, a one-and-a-half stainless steel sink, a 4-burner gas stove with gas oven, and a refrigerator, making cooking on board pleasant and efficient.

The saloon is partly fitted with double glazing and tinted windows and houses the indoor steering position with good all-round visibility and a wall of cupboards opposite a comfortable sofa. French doors lead to the open cockpit, which is level with the saloon. The open cockpit is equipped with sofas, a spacious locker and a cockpit tent. The cockpit tent, which provides shelter in inclement weather, can also be completely removed if you prefer to sail in the open air. The aft cabin has a comfortable double bed and plenty of cupboard space. Except for the open cockpit, which has a real teak floor, the other floors in the boat are fitted with marine parquet with white piping.

Wide gangways with stainless steel railings have been installed around the ship, making it safe and pleasant to move around on board. With a low clearance height of 2.35 m, a reliable 75 hp Yanmar engine, and a bow thruster, the Brandsmavlet is very suitable for inland waterways. The Brandsmavlet is always stored indoors during the winter.
