De Vries Lentsch

Next year it will be 75 years ago that the renowned shipyard De Vries-Lentsch from Nieuwendam designed the ship Jantine. The iconic yacht builder developed the yacht on behalf of an equally famous client. The Halbertsma family from Grou, owners of the well-known wood factory in Friesland.

After years of loyal service, this well-preserved family heirloom is now up for sale. With descendant and current Jantine owner Jan Mulder, we dive into the story behind this unique boat. "This historic ship will give you the Piet Hein feeling."
