Upholstery	Fabric upholstery	Cooker	Yes, 4-zone electric
Lavatory	Yes, electric		
Boiler	Yes, via shore power, the engine, and the generator		

NAVIGATION

Depth sounder	Yes, Raymarine	GPS	Yes, Raymarine
VHF Radio	Yes, Skantie	Radar	Yes, Raymarine

Drait Bravour 40

The Drait Bravour 40 OK "Alcyon" was built in 2009 on behalf of its current and first owner and is equipped with a powerful 135 hp John Deere diesel engine. The vessel features a bow thruster, solar panels, a 3000W inverter, a generator, and comprehensive Raymarine navigation equipment, including radar. The interior is finished in natural oak and features a spacious owner's cabin in the foredeck with a freestanding bed and a separate toilet and bathroom with shower. Adjacent to this is a spacious dinette, which can also serve as an extra berth, and a fully equipped galley with a countertop, four-burner electric cooktop, oven, refrigerator, and sink. An additional refrigerator and freezer have been installed in the storage area beneath the open cockpit, and a washing machine is also on board.

The salon features the interior helm station with extensive Raymarine equipment, a wall of cabinets, and a comfortable bench seat. Through the wooden French doors, you enter the spacious open cockpit with fixed bench seats, and via a door in the stern, you can easily access the fixed swim platform. In January 2024, the entire vessel was repainted, and the hull was treated with new antifouling and anodes. Thanks to its generous beam of 4.40 meters, the boat offers exceptional interior space and wide gangways.

The "Alcyon" will be available starting in late August 2026, but can be viewed earlier upon request.
