---

<b>Depth sounder</b>	Yes, Raymarine	<b>GPS</b>	Yes, Raymarine Axiom 2 (2022)
<b>VHF Radio</b>	Yes, Raymarine	<b>Radar</b>	Yes, Raymarine

## Elling E3 Bossa Nova

The Elling E3 Bossa Nova is an ocean-going CE-A motor yacht, solidly built and beautifully finished down to the smallest details. The design combines safety and comfort with well-thought-out, user-friendly solutions suitable for both inland waters and the open sea.

On deck, the integrated bench seat and sunbed in the foredeck immediately catch the eye. The spacious aft deck offers plenty of seating, wide gangways, and a secure stainless steel rail all around. The integrated transom ladder provides easy access to the generous swimming platform.

The interior is modern with a distinct nautical character. The wheelhouse has a practical layout; the well-organized helm is equipped with extensive navigation equipment and a comfortable L-shaped bench seat. Large windows provide a panoramic view and plenty of daylight, while the electrically operated sliding roof and front window ensure pleasant ventilation.

A few steps lower is the saloon, where conviviality and comfort come together. The semi-circular sofa invites you to enjoy long evenings at the table, two armchairs placed opposite each other form an intimate sitting area, and a stylish piece of furniture conceals a TV on a lift that appears at the touch of a button.

In the bow is the guest cabin with a V-bed, suitable for overnight guests, and a complete bathroom with electric toilet, sink, and shower cubicle. On the starboard side, next to the engine room, is a third cabin with bunk beds, which can also serve as extra storage space. On the port side is the fully equipped galley with a refrigerator, freezer, combination microwave, 4-zone induction hob, spacious worktop, plenty of cupboard space, and a wine cellar!

The owner's cabin spans the full width of the ship and offers a freestanding bed, cupboard/storage space, and a private bathroom with electric toilet and washbasin. The engine and technical equipment are easily accessible from several points, which facilitates maintenance and inspection.

For those who want to enjoy long trips and luxurious stays on board at a relaxed pace, the Bossa Nova is the ideal motor yacht.
