

EXPLORER 44

~ Year built	1997	~ No. of cabins	2
~ Length	14.50 meter	~ No. of beds	4
~ Width	4.30 meter	~ Extra berths	2
~ Draft	1.10 meter	~ Motorization	1x DAF DH 825 163 pk (Inboard)
~ Material	Steel	~ Price	€ 145,000,-
~ Reference	4B410	~ Berth	Viewing by appointment, berth owner

GENERAL INFORMATION

Name of the yacht	Wiebke	Weight	21,000 kg
Type	Motor yacht	Hullshape	Chine
Yard	Roukema B.V.	CE certification	N/A

TECHNICAL EQUIPMENT

Running hours	1375	Thruster	Yes, hydraulic
Number of engines	1	Stern	Yes, hydraulic
Drive	Fixed propeller shaft	Stabilizers	No
Cooling	Intercooling with a wet exhaust	Fuel tank	Steel
Gearbox	Newage PRM	Drinkwater tank	Stainless steel
Engine control	Morse	Holding tank	Stainless steel
Propeller	4-blade propeller	Total fuel tanks capacity	1,000 liter
Shaft lubrication	Water-lubricated	Total water tanks capacity	1,000 liter
Steering	Hydraulic	Total gray water tanks capacity	800 liter

ELECTRIC EQUIPMENT

Tension	12V / 24 V / 220V	Battery charger	Yes, Mastervolt Mass 24/50
Alternator	Additional alternator	Isolation transformer	No
Converter	Yes, Mastervolt Mass Sine 24/2500		
Generator	Yes, Mastervolt Whisper 4000 (615 operating hours)		

ACCOMMODATION

Panelling interior	Teak	Boiler	No
Upholstery	Fabric upholstery	Cooker	Yes, 4-burner Spinflo gas stove
Heating	Yes, Kabola B12 Tap	Lavatory	Yes, 2x

NAVIGATION

Depth sounder	Yes, Autohelm Tridata	GPS	Yes, Autohelm Navcenter
VHF Radio	No	Radar	No longer available

The Explorer 44 "Wiebke" is a sporty and very well maintained motor yacht from 1997, from the second owner, with a total length of 14.50 meters and a width of approximately 4.40 meters, making the ship ideal for longer stays on board. The interior is made of warm teak and equipped with tinted double glazing, which, together with the generous layout, creates a comfortable and homely atmosphere. In the front of the ship there is a guest cabin with double bed and an en-suite bathroom with sink, toilet and shower cubicle. Directly behind it are the U-shaped dinette and the galley, which is equipped with a 4-burner gas stove, refrigerator, sink and microwave. The spacious saloon offers an L-shaped sofa, plenty of cupboard and storage space and an extra fridge, with enough free floor space to accommodate additional loose chairs; The well-arranged instrument panel is mounted against the rear wall of the saloon and the fuses are neatly and easily accessible.

Via a small staircase you reach the hall that gives access to the spacious owner's cabin with a freestanding bed of 200 x 150 cm; From this cabin you walk directly to starboard into the spacious bathroom, equipped with washbasin and shower, while on port side there is a separate toilet room with electric toilet, washbasin and washer/dryer; The spacious engine room is accessible from that toilet room. The technical room houses a DAF 825 (DH 825) diesel engine, a generator, dieseltanks with manholes for inspection and a hydraulic installation for bow and stern thruster, among other things. For heating and hot water supply, a Kabola (B12/CV) is on board.

The aft deck is spacious and practical, including a sprayhood (renewed 2026), wide gangways, a hydraulic windlass and a swimming platform with outdoor shower; The steering position is equipped with navigation equipment. In terms of maintenance, the Wiebke has been excellently cared for: the ship was completely painted by Kooistra Jachtschilders in 2022 and the underwater hull was fitted with new antifouling in the spring of 2026. In short, the Explorer 44 "Wiebke" is a spacious, complete and immediately deployable motor yacht with solid technical facilities and a lot of comfort for trips or long-term stays on board.
