Heating	Yes, Eberspracher D5L-C	Lavatory	Yes, electric

NAVIGATION

Depth sounder	No	GPS	No
VHF Radio	No	Radar	No

Geeuwpolle Kruiser 1050

The Geeuwpolle Cruiser 1050 "Adriana" is a very neat and solidly built steel motor yacht of 10.50 x 3.60 m, which has been renewed at many points during a complete refit. With a bow thruster, diesel heating, 80 liter hot water boiler, two solar panels and a comfortable, practical layout, this cruiser is ideal for exploring the inland waterways. The ship has been excellently maintained, both outside and inside, and is also in good condition under the floor. When the tent is removed, the cruiser has a vertical clearance of less than 2.50 m.

In the front of the ship there is an enclosed sleeping cabin with a large bed of approximately 210 x 170 cm and an adjoining bathroom with electric toilet and shower. The galley is functionally and practically furnished with a worktop and sink, a 3-burner gas stove and a fridge with freezer compartment, making cooking on board comfortable.

The saloon offers an L-shaped sofa with built-in freezerbox and plenty of storage space, a spacious table and 2 separate chairs. The electrical installation has been professionally installed and the fuse box is neatly concealed and easily accessible. In the stern there is an owner's cabin with a double bed, sink and spacious closet space.

On the aft deck, the steering position is centrally placed, the aft deck is equipped with a fully lockable tent, placed in 2026, which can be zipped off on all sides, and a fixed reeling rug. A sturdy stainless steel railing is mounted around the ship. In short, a very well maintained Geeuwpolle Kruiser 1050, ready for new sailing adventures.
