Heating	Yes, Ebersprächer D5LC	Lavatory	Yes

NAVIGATION

Depth sounder	Yes, Raytheon Tridata ST60	GPS	No
VHF Radio	Yes, Simrad RS87	Radar	No

Keser Hollandia 1000S

The Keser Hollandia 1000S is a sporty-looking 10.30-meter steel motor cruiser with a surprisingly spacious layout for its length. The foredeck features a semi-open area with a 200 cm V-berth, and directly behind it is the galley, equipped with a generous countertop, gas stove, sink, refrigerator with freezer compartment, and a gas oven. Opposite the galley is a dinette that can also serve as an extra sleeping area.

The saloon features an inboard helm station and a spacious bench seat. All windows are fitted with sun screens, providing extra comfort and privacy on board. In the aft cabin, you will find a spacious bathroom with an electric toilet, vanity unit, and shower stall, as well as an owner's cabin with closet space and a double bed positioned athwartships against the stern.

The Keser Hollandia is equipped with a powerful Volvo Penta diesel engine and a bow thruster. The aft deck has an outdoor helm station and is fitted with a fully closable awning from which all sides can be unzipped, leaving a bimini. In 2024, the Keser Hollandia was fully repainted and the teak decks were inspected; the engine underwent a service in April 2026.
