Klaassen vlet 1020 OK-AK

A true classic, built by the shipyard also known for the renowned Super van Craft yachts. This 1980 Klaassen Vlet 1020 OK-AK combines elegant lines with excellent handling, thanks to its bow thruster and 2014 Volvo Penta D3 engine (110 hp).

On board, you'll find an owner's cabin with a V-berth in the bow, which can be expanded into a spacious bed with a center section. The adjacent galley and the wheelhouse with a sliding roof ensure comfort during longer trips, while the bench seat and the four French doors leading to the open cockpit provide a pleasant connection between inside and outside. The boat also features a bathroom with a toilet, sink, and shower, as well as an aft cabin with two single beds.

In short, a stylish yacht with which you can enjoy many more wonderful sailing trips!
