Lavatory	Yes, 1x		
Boiler	Yes, Quick 40 L. via shore power, engine and possibly via inverter		

NAVIGATION

Depth sounder	Yes, Echolot Nasa Marine	Radar	No
VHF Radio	Yes, Standard Horizon Matrix AIS/GPS		
GPS	Yes, inside steering position Interphase Chart Master 196 CSI + outside steering position Garmin GPS map 182C		

Kok Kruiser 1150

This sturdy cruiser is built with a knick hull, wide gangways, and a high gangways (surrounding the boat) topped with a stainless steel railing. This allows you to walk safely and comfortably all around the boat, even around the raised aft deck. The design exudes solidity and offers plenty of practical space on board.

In the foredeck is a spacious guest cabin with a comfortable V-berth. The galley is fully equipped with a countertop, a 3-burner gas stove, a sink, and a refrigerator with a freezer compartment. Opposite the galley is a spacious dinette.

The salon is cozy and thoughtfully laid out, with an interior helm station. The wall of cabinets provides ample storage space, and the L-shaped bench seat makes the salon a comfortable place to spend time.

In the stern is a neat bathroom with a toilet, sink, and shower. Adjacent to it is the spacious owner's cabin, equipped with a semi-freestanding double bed. The cabin offers a remarkable amount of headroom and walking space and features large cabinets, allowing you to stay on board for extended periods with ease.

Technically, this cook's cruiser is also in good condition. The bow thruster was replaced last fall, the hull has been treated with new antifouling, and the reliable DAF 615 engine has recently undergone maintenance and has a valid gas inspection certificate. The boat is also equipped with tinted single-pane glass and two 175-watt solar panels, providing extra autonomy while sailing or at anchor.

This kokkruiser is fully ready to sail and enjoy vacations for comfortable trips on the water.
