A Linden Kotter in very good condition. A robust, jogged built ship, comfortable, beautiful interior with teak wood paneling, spacious layout with 2 cabins and a ship with very nice sailing characteristics. A Linden cutter with many amenities you would expect on a ship like this including central heating, double glazing, insulation, generator, washer/dryer, large diesel tanks with day tank, double fuel filters, electric anchor winch, hydraulic lowering mast and...a central vacuum system!

In short, a fantastic cutter that is in very good condition (is always in a boathouse) and is ready for new voyages!
