Depth sounder	Yes, Raymarine i70 display + temp (6-2023)		
VHF Radio	Yes, Raymarine Ray90 + 2e handset (6-2023)		

The Linssen 37 SE (Sport Edition) is a robust, sporty-styled steel motor yacht measuring approximately 11.50 meters, built by the renowned Linssen shipyard. Over the past three years, the current owner has had the yacht fully updated by Bonsink Aquaservice, during which many components were replaced and various modifications were made. The vessel combines sporty lines with a practical layout and is ideally suited for large rivers and open waters.

In the foredeck is a spacious cabin with a roomy, comfortable bunk bed and a separate toilet area with a sink and electric toilet. The galley is equipped with a countertop with sink, a 3-burner gas stove, refrigerator, and plenty of cabinet space; opposite the galley is the dinette, which can also serve as an extra sleeping area. The saloon features a U-shaped bench with storage, a wall of cabinets, and the interior helm station. In the stern is the owner's cabin with a semi-freestanding bed and a bathroom featuring a vanity unit, electric toilet, and shower stall. The flybridge is equipped with modern navigation equipment and is fully covered by a very recent tent that can be opened on all sides. For easy maneuvering, the yacht is equipped with a powerful 150 hp Volvo Penta engine and a bow thruster.
