Radar	No		
Depth sounder	Yes, Garmin paired with a chartplotter		

Marhen 12.10 AK

Marhen 12.10 AK, well-equipped and comfortable motor yacht, suitable for long journeys through Europe.

In the bow there is a cozy round seat that also offers extra sleeping places, and an extensive kitchen with every luxury: a 4-burner induction hob, oven, large fridge with separate freezer, dishwasher and granite worktops on both sides of the ship.

The saloon on the starboard side has a large bench seat; There is plenty of cupboard and storage space on the port side. In the stern there is a toilet room with electric toilet and a washer/dryer combination, a separate shower room and the owner's cabin with a freestanding bed and a large escape hatch in the transom.

Throughout the ship there is plenty of cupboard and storage space and there is a ship's parquet floor, which provides a warm and well-kept appearance. The ship is equipped with central heating (Kabola), air conditioning and a central vacuum cleaner system.

The yacht is easy to steer and maneuver thanks to remote thruster and stern thruster and the 126 hp, quiet Steyr engine with electric throttle. The aft deck has a bench seat with storage space and a fully lockable tent from 2022. From the steering position there is a good overview and all equipment is within reach.

The foredeck, the wide gangways, the aft deck and the swimming platform are finished with artificial teak.

In 2025, major maintenance was carried out on the engine, the Kabola heating, the generator and the air conditioning.
