Fueltank	Synthetic	Total water tanks capacity	140 liter
Drinkwatertank	Synthetic	Total gray water tanks capacity	140 liter

Maril 890 Classic

A tough polyester cruiser with slender shape. Because of her limited headroom and a draft of 70 cm, you can get into almost all shallow waters. Her large cockpit with spacious U-shaped bench and her open character allow you to fully enjoy the outdoors. Inside the bow is remarkably spacious. Right in front is a spacious U-shaped bench, also a berth (210 x 180 cm), a galley with worktop, stove, sink, kitchen cabinets and a refrigerator. The bathroom has an electric toilet, sink and a shower possibility. There is enough storage space in the Maril to definitely stay on board for longer periods of time.
