Nidelv 28 Classic

This very complete 28 has a spacious and cozy cabin with good views outside, from the spacious round seat is easy to make a 2-bed. In the front you will also find the toilet with shower and an extra "dog cage" as an extra bed or storage space.

In the spacious and comfortable cockpit offers a lot of space even with unexpectedly less nice weather, but if the sun shines and the entire tent is removed it is easy to turn the bench into a sun bed. In addition, here are the galley and the driver's seat that offers good visibility all around from a comfortable bench seat.

The aft cabin is equipped with a double bed. By making optimal use of the available spaces on board, there are plenty of closet and storage options.
