NAVIGATION

Depth sounder	Yes, Raymarine ST60+	GPS	Yes, Raymarine 911
VHF Radio	Yes, Raymarine Ray 55E	Radar	No

Oostvaarder 11.40

A very well-maintained motor yacht from 1997 that has always been stored under cover in a boathouse. This sturdy and robust Oostvaarder 11.40 has a low clearance height, making it ideal for inland waterways, the French and German canals, and coastal cruises.

Under the name Casanova, this yacht presents itself as a charming companion for both short trips and longer voyages. The name perfectly matches the warm ambiance of the mahogany interior and invites you to enjoy relaxing cruises and cozy overnight stays on board.

The owner's cabin is located in the foredeck, and next to it is an additional cabin with a spacious single bed. The cozy dinette can easily be converted into an extra sleeping area, allowing for comfortable overnight stays with multiple guests. There is a toilet compartment with a pump toilet and a sink that can be cleverly slid away, as well as a separate bathroom with a vanity unit and shower.

The Oostvaarder has two helm stations: one in the cozy salon with a spacious L-shaped bench and one in the well-sheltered open cockpit. The open cockpit features fixed benches, plenty of storage space, and teak covers. There is also an outdoor shower and a connection for deck washing. From the open cockpit, you can easily step onto the wide gangways.

The exterior is in excellent condition, featuring sturdy stainless steel railings, bollards with stainless steel strips to protect against chafing lines, and a painted handrail on the foredeck that provides both safety and a luxurious look.

The motor yacht is very stable and equipped with bow and stern thrusters, allowing you to maneuver easily at any berth. The Yanmar engine delivers 88 hp and is housed in a very well-insulated engine compartment.

The boat house in Terhorne is also available for purchase if desired, so you can continue to maintain the boat in the same excellent condition.
