Pacific 148 Allure is a ship with style and "allure."

The "Jacoba" is spacious, has nice clean lines, wide gunwales, very large aft deck and comfortable "turning steps" to the swim platform. The hull and superstructure were painted in 2020.

This boat is inlaid with cherry wood and has in the bow is a spacious cabin with V-bed, a bathroom with electric toilet, sink and washer/dryer combination, a spacious kitchen, which is arranged in a playful form, with household appliances and a dinette with an L-shaped sofa. The spacious salon has a large sofa and opposite this a cabinet wall with TV, the ceiling has a luxurious finish. The salon, dinette and kitchen are at different height levels, giving a very spacious effect. In the stern is the spacious owner's cabin, a spacious bathroom with electric toilet, sink, shower cabin and a third cabin with bunk beds. Through this 3rd cabin is also the access to the engine room. The "Jacoba" has a large water tank and large black and grey water tank which makes the ship very suitable for longer stays/living on board.
