Käpten Blaubär is a Pedro 34 that has been very well maintained by her owners. A handy motor yacht with a 74 hp Volvo-Penta engine and bow and stern thruster. In the bow is a spacious cozy round seat, also extra berths and a spacious galley with a worktop on both sides of the boat. To starboard is the 4-burner gas stove and oven located as well as the refrigerator and a worktop. On the port side there is an L-shaped worktop, sink and plenty of cupboard space. In the salon there is an inside steering position, U-shaped bench seat and a side door, ideal for putting your groceries on board and an aft entrance to the aft deck. In the aft cabin is the bathroom with toilet and sink and the owner's cabin with a double bed and a spacious closet.

The Pedro 34 includes a hot water heater, central heating! and a diesel heater for the aft deck. On the salon roof there are 2 solar panels, has solar screens for the windows and a deck shower and holding tank. A very neat, well maintained Pedro 34 that has been lovingly maintained by her owners and has had a lot of updating in recent years. Käpten Blaubär has been wintering out of the water in a heated hall for the last few years.
