Engine control	Morse	Drinkwater tank	Synthetic
Propeller	4-blade propeller	Holding tank	Synthetic
Shaft lubrication	Water-lubricated	Total fuel tanks capacity	500 liter
Steering	Hydraulic	Total water tanks capacity	240 liter
Total gray water tanks capacity	220 liter		

ELECTRIC EQUIPMENT

Tension	12V / 24V	Isolation transformer	No
Battery charger	Yes, Victron Pallas 12/25	Converter	Yes
Generator	No		

ACCOMMODATION

Panelling interior	Teak	Boiler	Ja, Isotemp 50 L.
Upholstery	Fabric upholstery	Cooker	Yes, 4-burner gas
Heating	Eberspracher D5L C	Lavatory	Yes, pump toilet

NAVIGATION

Depth sounder	Yes, Autohelm Tridata	GPS	Yes, Garmin
Radar	No		
VHF Radio	Yes, Raymarine Ray90 with extra microphone		

From the first owner; Pedro Aspre 35 "Luise", built in 1995 by Pedro Boats, a beloved and reliable model for water sports enthusiasts who want to cruise comfortably on inland waterways and calm coastal areas. The boat is equipped with a powerful 100 hp Volvo Penta engine and features, among other things, a bow thruster, battery charger, inverter, solar panels, heating, and a fully enclosable awning over the aft deck. Recently, the "Luise" was also fitted with a new fender and spent the winter out of the water in a storage facility, a testament to its careful maintenance.

The exterior features wide, easy-to-walk-on gangways that slope diagonally from the aft deck to the foredeck, eliminating the need for steps and making walking on deck extra safe and comfortable. From the spacious aft deck, a wide staircase leads to the fixed swim platform.

The interior is finished in teak and feels surprisingly spacious for a boat of this length. The salon features the interior helm station, a spacious bench seat, and a wall of cabinets; large windows all around provide plenty of natural light and excellent views of the surroundings. In the foredeck is a spacious dinette with a semi-circular seating area that can easily serve as an extra sleeping berth. The galley is practically laid out with a countertop, 4-burner gas stove, sink, and a refrigerator with freezer compartment, and offers ample storage space for longer trips.

The aft cabin is spacious and comfortably furnished with a semi-freestanding double bed, plenty of storage space, and a large hatch that leads directly to the swim platform. The adjacent bathroom features a toilet, vanity unit, and shower. Thanks to its clever layout and spacious aft cabin, the Pedro Aspre 35 feels much larger than its length would suggest, making it ideal for comfortable cruising trips and longer vacations on board.
