Heating	Yes, Webasto Air Top 3500	Lavatory	Yes

NAVIGATION

Depth sounder	Yes, VDO	GPS	Yes, Lowrance Elite-5M
VHF Radio	Yes,, Lowrance Elite-5	Radar	No

Step aboard this, lovingly maintained, Pedro Skiron 35 Phoenix.

Upon entering, you immediately feel the space and light coming in through the windows. In the bow you will not find a cramped cabin, but a generous, semi-enclosed loft-like space with a V-bed, a spacious dinette with a galley opposite this equipped with a 4-burner gas stove, refrigerator and a generous worktop.

In the salon, to port a spacious cabinetry and to starboard a bench seat, walk aft to the en-suite bathroom accessible from both the salon and the owner's cabin. The bathroom is equipped with an electric toilet, a sink cabinet and a shower. The owner's cabin itself contains a (semi-) freestanding double bed, storage cabinets, TV and in the transom of the cruiser a large hatch that provides light and fresh air.

On the aft deck, the outside steering position is centrally located giving you good visibility all around. The aft deck is partially equipped with a closed tent. This is attached to the sprayhood and radar bracket and all sides of this can be zipped off.

In the spotless engine compartment is a powerful Volvo Penta of 110 hp. The bow and stern thrusters make docking child's play, even in the tightest berth.

Since its new construction, the Pedro Skiron 35 Phoenix has always wintered out of the water in a covered hall.
