Pieterse 850 Luxe

This ship has everything you need for a long weekend away, a day trip or a vacation. The Pieterse 850 is very well equipped. An electric toilet, a large 85L refrigerator with enough room for bottles and lots of cans. A 2000 watt Victron inverter, two large new batteries, a spacious swimming platform with a comfortable swimming ladder and a lovely shower with a hot water mixer to rinse off after swimming.

What makes this boat unique are the spacious gangways, the flat cockpit and the storage space. Every inch in this boat is well utilized.

The boat has a headroom of 1.90, if you lower the windows then the headroom is 1.60. This ensures that you can easily sail through the cities and even through Amsterdam. But because of the heavier engine, a Nanni diesel 50 hp, the boat has no trouble navigating the IJssel, the fastest flowing river in the Netherlands. The boat can be accurately steered into the most small berths and the bow thruster always provides extra help.

The boat has a spacious round seat, the round seat can easily be converted into a full bed. Outside in the cockpit there is a large sun deck. This can also be slept on.

The boat has been serviced every year and you will find the invoices and booklets with the boat. The boat is equipped with enough lines, fenders and an anchor. But also screens in the portholes.
