Pikmeerkruiser "Nynke" with her well-known spacious open cockpit which is directly connected to the saloon and by her 4 folding doors turns into one large space and her low headroom of 2.35 meters. "Nynke" is last year provided with new antifouling and the hull and superstructure are completely painted as well as the inside of the salon is repainted. The unique thing about this Pikmeerkruiser 1050 OK is that she has "real" outside steering so with steering wheel, throttle and dashboard.

Very neat, ready to sail boat with recent replaced battery pack, a 3000 W inverter, generator, bow and stern thruster, tinted glass, enclosed sleeping cabins, new curtains and mattresses (2021) etc.
