Pikmeer 11.50 OK, "Zomerlust", a sparkling sun on the water.

Zomerlust is ready to turn every boat trip into an unforgettable memory. This elegant motor cruiser combines style, comfort and practical luxury.

In the front of the ship is the attractive owner's cabin, with a spacious freestanding bed with a brand new mattress, wardrobes and plenty of storage space under the bed. The L-shaped galley is surprisingly spacious and practical. With a 4-burner gas stove, a stainless steel sink, a refrigerator and a spacious worktop. Opposite the galley is a stylish bathroom, equipped with an electric toilet, vanity unit with sink and a shower.

The saloon offers the steering, plenty of storage space and a comfortable bench seat that can easily be transformed into extra sleeping places. Large tinted sliding windows and a middle window that can be opened for a wonderful cooling. Opening the 4 wooden swing doors creates a seamless connection with the open cockpit.

Under the teak floor in the cockpit is a spacious storage room — ideal for folding bicycles, for example. Cupboards have been built in on both sides of the cockpit, one of which is equipped with a mixer tap and outdoor shower. Against the transom of the boat a comfortable bench.

The underwater hull has recently been blasted and provided with new antifouling. New batteries provide reliable energy supply. Thanks to the powerful 100 hp Yanmar diesel engine and the bow and stern thruster, manoeuvring is child's play — even in the smallest ports. Zomerlust is ready to set course.
