"Jonathan" is in very good condition, is in a covered berth and is equipped with luxury and comfort. The large open cockpit, across the entire width of the ship, has a door in the transom through which you easily step onto the swimming platform. The spacious salon has 4 sliding doors creating one large space with the open cockpit. This has a very well seated settee that is upholstered in leather. The steering position is located to port and has good visibility all around. Below the salon floor/bench is an additional cabin with a 2.00 x 1.45 m bed. the entrance to this is through the small hallway in the bow and has headroom at the entrance for changing. In the bow is the owner's cabin with freestanding bed, a wet cell with electric toilet, vanity with sink, shower cabin with in the wall the washer/dryer combination, a galley with electric stove, microwave, sink. Good insulation, tinted double glass and a Kabola heating system make sailing on cold days very comfortable. With a headroom of 2.40 m. this Pollard Coastliner has a large sailing area and thanks to the generator completely self supporting.

"Jonathan" is sailing and vacation ready!
