## NAVIGATION

---

Depth sounder

Ja

GPS

Nee

VHF Radio

Ja, Icom

Radar

Nee

Proficiat 1370 GL a beautiful, spacious and well maintained powerboat.

Sofia is a well maintained Proficiat 1370 GL cruiser which has been renewed and improved a lot in recent years. Among other things, the swimming platform has been extended by 50 cm, new stainless steel davits have been installed, Flexiteak has been laid above at the outside steering position, in the gangways and on the kitchen roof, and plastic, tinted ship windows from TopWindows have been installed.

Moving from the covered, very spacious aft deck into the salon, you immediately notice the spacious light oak interior. Thanks to the large windows, there is plenty of light which gives the ship a spacious feel. In the front is a spacious round seat (also extra beds) and to starboard the kitchen with L-shaped worktop with 4-burner ceramic stove, sink and plenty of cupboard space and to port also a worktop with cupboard space, refrigerator, separate freezer and microwave. The saloon has a cabinet wall which includes the TV and 4 well seated individual chairs and table. In the aft is the starboard bathroom with toilet, sink and shower and to port there is a "work closet" with cabinets and washer/dryer. The owner's cabin is spacious and has a freestanding double bed and closet space. For the high level of comfort, there is central heating throughout the boat and for insulation, the boat is partially lined with glass wool, cork and wood. The Proficiat 1370 is further equipped with a powerful 159 hp Vetus-Deutz, bow and stern thruster, generator and solar panels. The owner has done his best to maintain everything perfectly which can be seen in the binder with bills. This is really one of those boats where you can get on and sail away.
