## NAVIGATION

---

Depth sounder	See chart plotter	VHF Radio	Yes, Simrad AHS-81
Radar	No		
GPS	Yes, Raymarine Axiom Lighthouse 3 (2017)		

The Reline 41 SLX is a modern lined motor yacht with a high degree of comfort and very good sailing characteristics. She is equipped with a 170 hp Vetus Deutz engine and with bow and stern thrusters. The radar bracket is very easy to fold and with the windshield completely folded down, the clearance is 2.70 m.

The interior of the Reline feels spacious and has a high-quality finish with many curves and is finished in cherry wood. The entire vessel has a marine parquet/teak floor. In the bow is the guest cabin with spacious V-bed (V-200 x90 cm each), the cozy dinette and the galley with spacious worktop, 4-burner gas stove, refrigerator with freezer, microwave and sink. The salon has double glazing which is tinted and has a good sitting couch with opposite a cabinet wall with built-in TV. In the stern are the separate toilet room with sink and the owner's cabin with freestanding bed and plenty of closet space; both shelves and wall units. The bathroom with shower and large sink is directly adjacent to the owner's cabin. Headroom is 198 cm in the foreship and salon and 193 cm in the owner's cabin! The Hendrika has been provided with new batteries in November 2024 and the underwater ship has been sandblasted in the winter of 2024/2025! In short she is ready to go!
